

INT. LIQUOR STORE - DAY

The liquor store is desolate except for a CASHIER(38) and Chance. Chance looks down at his phone, another call from Evelyn. Chance pushes the call over and walks up to the counter. He opens his wallet and grabs the only cash he has, a twenty-dollar bill. He looks at the scratch-off dispenser.

CHANCE

Ten of the two-dollar scratchers.

CASHIER

Did you even win anything from the last ones? Just give it up, man.

CHANCE

I asked for scratchers, not advice.

The cashier shakes his head and goes to grab the scratch-offs out of the dispenser. Chance sees special "All In" TV Show scratchers for twenty dollars. Chance points to it.

CHANCE (CONT'D)

Actually, I'll take one of those.

The cashier rips one off and scans it. He hands it to Chance. Chance hands him a twenty.

CHANCE (CONT'D)

Thanks.
