

EVELYN

Of course, Dad, I figure if you have one final big win, maybe you'll stop.

CHANCE

Yeah, maybe.

EVELYN

So what're we playing?

DEALER

What a great question Evelyn. We are now going to be playing our Double or Nothing Bonus Round.

The crowd erupts in applause.

Chance nervously looks over at Evelyn as the Dealer points an object at Evelyn. She starts to try and break free from the chair.

EVELYN

What're you doing? What's going on?
I thought we were playing a game.

Evelyn winces and screams as the sound of a trigger being pulled ends abruptly with silence. She's fine.

DEALER

We are. My favorite game. A different kind of Roulette.

The Dealer points to Chance now.

EVELYN

Oh my god no. Please no. Dad tell
them to stop. This isn't what you
signed up for.

Chance winces. The sound happens again. Silence. A look of
relief crosses his face.

He looks back at Evelyn. She looks back at the crowd.

EVELYN (CONT'D)

Please, someone, stop him.
